# Learn the Mac in Under an Hour!

The image shows a YouTube video player interface. At the top, the YouTube logo is on the left, and a search bar contains the text "david cox mac". To the right of the search bar is an "Upload" button. Below the search bar, a browser window is visible with a menu bar (Finder, File, Edit, View, Go, Window, Help) and a status bar (Sun 3:13 PM, PC Classes Online). The video content itself features a logo for "David A. Cox's PC Classes ONLINE.COM". The logo consists of a stylized orange and blue circular graphic with a white spiral inside, and the text "David A. Cox's" in a handwritten font above "PC Classes" in a bold blue font, with "ONLINE.COM" in a smaller grey font below. Below the video player, the title "Learn the Mac In Under An Hour" is displayed. The channel name "David A. Cox" is shown with a profile picture and "99 videos". A "Subscribed" button is visible. On the right, the view count "85,900" is shown, along with "1,465" likes and "32" comments.

**Onyx** is a multifunctional utility for OS X. It allows you to verify the startup disk and the structure of its System files, to run miscellaneous tasks of system maintenance, to configure the hidden parameters of the Finder, Dock, Spotlight, and of some of Apple's own applications, to delete caches, to remove a certain number of files and folders that may become cumbersome, and more.

**WHAT'S NEW**  
Version 2.8.2:

- New option: Change the background image in the Login window
- Bug corrected while purging the inactive memory
- Deleting the Cache improved
- Added ability to uninstall in the Help menu
- New version of sqlite3
- Arabic translation added
- Spanish translation added
