There are no stupid [or dumb] questions!
We learn by “asking!”

Serious problems with passwords and accts. Or how to use
your device...

Tom's Website

The screenshot shows the homepage of 'Tom Miller-Mac Help'. At the top left is a circular logo with the word 'Logo' inside. To its right is the site title 'Tom Miller-Mac Help' and the subtitle 'iPhone, iPad and Mac Help'. A search bar with the placeholder 'Type KeyWord' and a 'Search' button is located at the top right. Below the header is a navigation menu with buttons for 'Home', 'About Me', 'Contact Me!', and 'Items For Sale'. The main content area is titled 'Home' and features three image boxes: an Apple Watch with a red band, two iPhones (one white, one silver), and a galaxy image. On the right side, there is a 'RECENT POSTS' section with a search bar and a list of five article links. Below that is an 'ARCHIVES' section with a list of months from August 2014 to September 2015. A blue speech bubble with the text 'Recent Posts' is positioned over the 'RECENT POSTS' section, and a pink arrow points from the 'Home' title to the 'RECENT POSTS' section.
