M

PLEASE I NEED YOUR URGENT ASSISTANCE.

I am Mr. Adams Phillip, the director of the accounts & auditing department at the Bank of Africa Ouagadougou-west Africa, (B O A) With due respect, I have decided to contact you on a business transaction, I will like you to help me, in receiving of a fund into your Bank Account, However; it's just my urgent need for foreign partner that made me to contact you for this transaction, In my department we discovered an abandoned sum of (US\$10.5 Million dollars) in an account that belongs to one of our foreign Customer (MR.HALLEY PAUL LOUIS from Paris, France ) who died along with His entire family in 6th of December 2003 in a plane crash.

I am afraid if this money stays in our bank without claim for long period of time, our government will step in because the Banking laws here does not allow such huge amount of money to stay dormant for more than 16years, And you will be receiving this money into your Bank account within 10 or 14 banking days.

The Banking law and guideline here stipulates that if such money remained unclaimed after 15 or 16 years and above, the money will be transferred into the Bank treasury as unclaimed fund, I agree that 40% of this money will be for you as foreign partner in respect to the provision of a foreign account, and while 50% would be for me, then 10% will map out for the expenses.

If you agree to my business proposal, further details of the transfer will be forwarded to you as soon as I receive your return mail, Make sure you keep this transaction as your top secret and make it confidential till we receive the fund into the account that you will provide to the Bank, Don't disclose it to anybody, because the secrecy of this transaction is as well as the success of it, have a great day.

But before I send to you the text of application form which you will fill and send it to the bank address, I will like you to send me your data's information.
