The iPad

<https://www.apple.com/ipad/>

The screenshot shows the Apple website's iPad product page. At the top, there is a navigation bar with links for Mac, iPad, iPhone, Watch, TV, Music, and Support. Below this is a row of product icons: iPad Pro, iPad (with a 'New' tag), iPad mini 4, iOS 11, Accessories, and Cases. The main content area features the heading 'iPad' followed by the tagline 'Like a computer. Unlike any computer.' and two links: 'Learn more >' and 'Buy >'. Below the text is a high-quality image of a gold iPad Pro with a colorful abstract drawing on its screen. An Apple Pencil is positioned horizontally below the iPad, with the text 'NOW SUPPORTS APPLE PENCIL' centered underneath it. At the bottom of the page, the heading 'iPad Pro' is displayed, followed by the tagline 'Anything you can do, you can do better.' and two links: 'Learn more >' and 'Buy >'. A small footer note at the bottom left reads 'Open "https://www.apple.com/ipad-9.7" in a new tab'.
