What Is Involved In Erasing All Content and Settings?

When you use anyone of these devices, your DNA is on that device.

Your personal info is on them until your erase all content and settings!

It's A Tool Not A Toy!

Your Photos. Your Email and Messages. Your contacts. Where you have been. Your personal info. Your home address and phone number. Your passwords. Accounts such as Facebook & Instagram. Who are your relatives. Your Notes. Your searches, i.e. Google searches. Banking info. <u>Purchased items from the App store.</u> The Health App has medical info. Breakage...can you afford a repair?

shutterstock.com - 231895609

What's on my iPhone? Is the <u>content</u> good for a child?

"There's really nothing on my iPhone" is said by someone who doesn't know what is in their hand!

Erase All Content And Settings On Devices You No Longer Use!

You must know the following:

the Apple ID used when setting up the device.

The Apple ID password used when setting up the device.

The device passcode, is four digits and 6 digits or a random passcode.

My Kids Said They Can't Leave A Voicemail! Voicemail box is full!

Why?

*Apple is trying to make the best product possible.

*Apple is trying to fix anything that might not be perfect.

*Apple is coming out with new features.

*Apple is developing new security to protect iPhone users.

Make Sure Your iPhone & iPad Are Up To Date!

"I Know It's An Older Phone But It Does **Everything | Need!**"

Some things are outdated.

Some things are not supported.

- Some things are better replaced than repaired.
 - Some things are obsolete.
 - iPhone 6s was a major upgrade.
- Apple does build into its ecosystem...planned obsolesce.

Apple with iOS 16.2 and iPadOS 16.2 is introducing the Freeform app, which is designed for brainstorming ideas, creating sketches, and collaborating with others on projects. Freeform is basically a blank canvas that you can use for anything.

In this guide, we've highlighted the various tools that you can use with the Freeform app on the <u>iPhone</u> and the <u>iPad</u>.

Shapes

There are hundreds of pre-designed "clip art" shapes that are available in Freeform, across the following categories: Basic, Geometry, Objects, Animals, Food, Nature, Symbols, Education, Arts, Science, People,

Limit IP address tracking by hiding your IP address from known trackers in Mail and Safari. When this is turned off, iCloud Private Relay will also be turned off for this network provider.

Allow More Data on 5G may prefer 5G to Wi-Fi, and use it for software updates, automatic iCloud

backups and higher-quality media.

Standard allows automatic updates and background tasks on mobile data, but limits video and FaceTime quality.

Low Data Mode helps reduce mobile data usage by pausing automatic updates and background tasks.
