

iPhone & iPad Basics*

December For The

Library

Welcome

*A class for all levels of understanding!

"Tom, What Are You Going To **Teach On Today?"**

A wide range of topics!

There isn't one topic! That would interest each person today.

Call, Text, Email Me Don't Hesitate!!!!!

tommillermachelp.com

Tom Miller

tdmill@me.com 325-518-6662

My web site is on the top of my business card. Use the Web address to see the slides that I present today!

*Call me anytime as long as you do not begin the conversation with, "I know this may be a dumb question..."

Tom Miller Mac Help

iPhone, iPad, Apple Watch and Mac Help

This is a learning class...somethings may be new to you. Learning (a foreign language) is not easy.

My Slides Are Available. Go to tommillermachelp.com and click on "Blog".

SCAM ALERI

Delete and Ignore!

How To Spot A Scam?

You are required to send money upfront to receive a prize.

You are a contacted at out of the blue.

You are asked to send money via wire transfer.

You are asked to provide personal info.

You are asked for financial info.

You are asked to act quickly.

You are asked to keep it a secret.

You are speaking with a person with a foreign accent.

It sounds too good to be true.

Check Your iPhone (iPad) Storage!

Should Someone Know My Apple ID,

My Apple ID Password,

&

My iPhone Passcode?

Apple Provides A Method Whereby You Can Restore Your iPhone To Its Factory Default settings.

You will lose all your data!

Apple will help but probably not the way you would like!

> If you can't remember or lose your passcodes or passwords!

How To Factory Reset Your iPhone!

How to factory reset your iPhone, iPad, or iPod touch

Learn how to securely erase information from your iPhone, iPad, or iPod touch and restore your device to factory settings.

> If you also need to securely erase your Apple Watch, you can use these steps to unpair your devices.

Back up your device

Make sure to back up your device so that you can restore your data later.

Tap Erase All Content and Settings.

 \cup

If asked, enter your passcode or Apple ID password

Forgot your passcode or Apple ID password?

Confirm that you want to erase your device

If you have an eSIM, you can choose to erase your eSIM or keep it. If you erase your eSIM, you need to contact your carrier to reactivate your cellular plan.

Wait for your device to erase

It might take a few minutes to completely erase your data.

If you can't erase your iPhone, iPad, or iPod touch

- Learn what to do if you don't remember your passcode for your iPhone, iPad, or iPod touch, or your device is disabled.
- If you forget your Screen Time passcode, you can reset it. Restoring your device using a backup won't remove the Screen Time passcode.

If you still need help, contact Apple Support.

Will Apple Help Me... I have lost my password(s)!

They absolutely will not.

Apple's prime directive...consider everything as theft!

iforgot.apple.com

Forgot Password?

Verify your account information to reset your password.

You Have A Locked iPhone (iPad)!

If something happens to you...your data will die with you!
